TAKING CARE OF BUSINESS !!!!!

The President shall hold regular board meetings the 2nd Tuesday of each month. (See Article V1 by-laws.) They are the “pulse” of our group discussing past, present and future issues. Most business is acted upon at their discretion or presented to the general membership at the general meetings in April, June, Sept. and November.

Ladies- Please do not forget to sign up for Guest Day on Tuesday, June 25. The format is a two-person team, one best ball. Rolls, fruit and coffee will be available before the 8:30 start, and there will be a complimentary lunch and drinks will be both 9 and 10:30. We invite all members to participate. If you need a partner, please ask around. Many of us know golfers from Gearhart, Manzanita and other courses on the peninsula who would really love to participate.

A survey concerning the proposed exercise/fitness room was sent to all members of the Ladies' Club. Please return it as soon as possible. Your input is highly valued, and the Long Range Planning Committee is always looking for creative and innovative ideas.

Let's give a "Hip-Hip-Hooray" to the winners of the Ladies' division of the Club Spring Classic: Low Gross- Jody Orrell and Dotty Johnson (Hip!), 1st Low Net- Ginny Cheong and Caroline Hinckley (Hip!), 2nd Low Net- Ginny Schuler and Dotty Johnson (Hooray!).

It's not too early to ask a friend to play in the two-day Member/Guest Tournament to be held on Monday, August 19 and Tuesday, August 20. Teresa Plowman, the event chair, has already mailed the invitations. Monday's play begins with a 12:00 pm shotgun start after participants have been fortified with a delicious breakfast. Cocktails and hors d'oeuvres will be served following golf. Tuesday's schedule starts with a 7:30 am breakfast, golf at 8:30, followed by lunch and awards after play has concluded. So find a partner and mail in your response right away.

We are so grateful to have Channele in the Pro Shop. Not only does she type up and post our weekly results but she tracks us down to see if we're going to play each week. What an asset!

Another "Hip-Hip-Hooray" is needed for Dotty Johnson who scored an eagle Saturday, April 11, 2013 on Hole #6 - a blind shot from #5 fairway. HIP HIP HOORAY!

Caroline Hinckley, Ladies' Club President

This proposal, thanks to our input and negotiating by Pres. Caroline was fortunately dropped. (We had already given up one third of our space two years prior. ENOUGH!

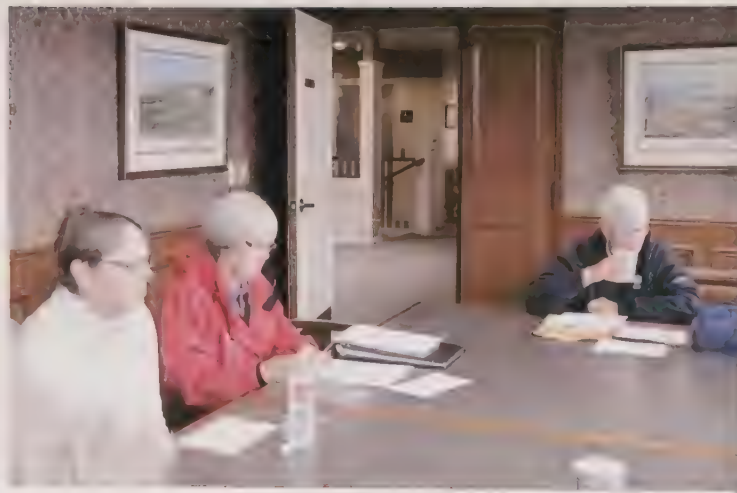

Secretary, Betty Rippet reading the minutes and she is a “keeper” – so efficient!

I observed this years capable board brought to order by Pres. Caroline. Always a good sign to see the Treasurer, Ginny enter smiling!

Vice Pres. Jan Garbutt observing and planning for 2014.....

Ginny Schluter, Treasurer

Our budget is funded by the Ladies' Group yearly dues of \$50.00 and the income from the Snack Shacks during the Coast Tournament.(So be sure to volunteer!)

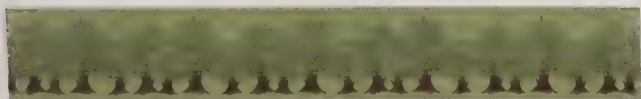

A responsible task dispensing the expenditures –mainly for golfing activities, social, a scholarship and we formerly used to choose a gift to enhance the club –but now it is done through the AGCC Gift Donor Board.

Diana and Jodie always have good input and questions (when is lunch?)

Pres. Caroline with (ex-school teacher precision) declares the meeting dismissed! Do your homework and cross your "tees"!!!

“103” COAST TOURNAMENT IS NOW HISTORY !!!! July 21 –29

Great golfing weather,
smooth operation by the
dedicated volunteers,
terrific meals from the
kitchen staff, and players
returning year after year
for “old home week”.
We ladies fulfilled our
yearly duties –snack
shacks, scorers & starters,
generally being hostesses to
the appreciative guests. (As
I have heard many times –
“They could not do it
without us”-)

Roxanne catching up the paper work. That smile sold
lotsa hotdogs!!!

CONGRATS TO OUR SNACK SHACK CHAIRS
ROXANNE FICK & CHERI FOLK. THANK
YOU FOR THE HOURS SPENT – YOU DID
ABOVE AND BEYOND THE CALL OF DUTY!

Cheri looking sharp in this years' volunteers jacket.
She does things so calmly....

Judy Hughes Winchester long time member always show up for the Coast ..still a ray of sunshine! Mary Rogness taking time out from judging flower shows nice to see you.

Winsome Katie Kawasoe showing off the great Pro Shop inventory....

Congrats also to Lora Rhodes for her dedication to the “starters”. They are great ambassadors....

(Lora, with high tech changes you may have some “robot starters” –hope they will pronounce the names right!!!).

Representing our group, Ladies’ Champion Katie Sturgell, priming for take-off. Perfect swing and drive out of sight! High expectations, but not meant to be in “2013” Lots more years ahead!(Do they bottle that Col-Edgewater necter? Must be magic –let’s order a gallon!)

Mary Swingle – regular Coast player. The years change, but not Mary!

Scorers take a relaxing moment from the streamline! You are looking at the 1st "Lady Marshal" ... Diana system. Thanks to Chairs Jane Cartwright, Margaret you are too sweet to lay down the law ... but the blarney would get co-operation for sure!

Marino and the gentleman computer whiz! That is progress.

Changes!

In 2013, the scorers at the Oregon Coast Invitational joined the computer age!! BK Srinivasan designed a practical computer program that saved time for all the volunteers at the tournament. The scorers were able to enter the scores into the computer and update the tournament website continually. Participants, friends and family could check the website anytime throughout the day and evenings to see who had won and what time people played the next day. The website had rave reviews!!

Roxanne's hubby "taking care of business"!!!!

Our President so happy to be in the finals! We are proud of you Caroline! This chapeau is really you!

a perfect
Day!

“OUR MID-NIGHT MEMBERS”

No, they do not pay dues but leave a “deposit”. Yes, they are welcome. In fact, they were here first and kindly let us use the land! Fortunately, they are nocturnal.

These awesome Elk are known as “Wapiti” a Shawnee word meaning white deer. Settlers thought they were moose, so used the British term elk for moose. Adult bull may weigh 1,000 lbs. And have a harem of up to 60 cows. They are a fantastic sight but don't try to get close –they have charged people. In the fall they bugle or whistle to other bulls as a challenge. No, they are not admiring we golfers!

Changes affect:

Elk once roamed the U.S. & Canada with estimated population of over 10 million. During arrival of settlers that number dwindled. By 1900 barely 100,000 remained. Thanks to conservationists who began working to save this magnificent species with Regulations and sanctuaries a recent census shows a rebound of approx. 1 million.

NEIGHBOURS DOING ? PULLING
OUT ALL THOSE TREES ?
GEARHART COURSE -reverting to old
links fashion they had in 1892

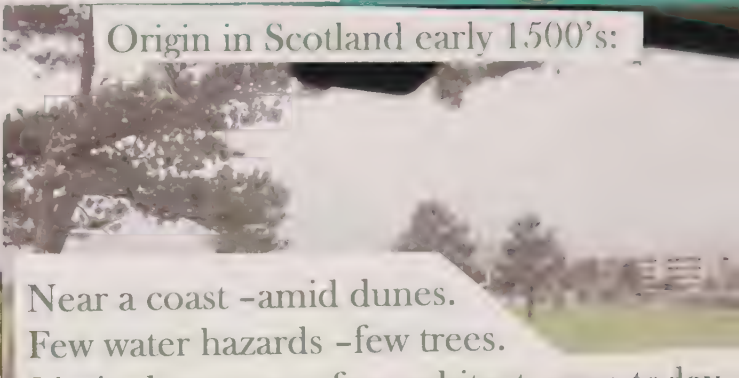

Style of play affected:

Lack of trees - it's windy!.

Uneven fairway, thick rough, pot bunkers.

Requires low accurate shots -bounce ball
onto green rather than high approach.

Origin in Scotland early 1500's:

Near a coast -amid dunes.

Few water hazards -few trees.

Limited resources for architect, even today

Some links do not employ greens staff -use

Basic machinery and grazing animals.

Trees offer:

Shelter from the storms.

Purify the air.

Stop soil erosion.

Give visual beauty.

Refuge for the birds and wildlife.

Safety -prevent wild shots from player.

Karen Radditz, Past President- Jody Orrell; and Social Committee Co-Chairs- Diana Butler and Barbara Maltman

I wish to thank all of the women who served as officers in 2012- with a special "thank you" to Bonnie Eller who finally decided it was time to turn in the Ladies' Club checkbook, having been treasurer for five years. We appreciate her and her successful efforts in keeping us solvent.

Another note of thanks to Ginny Schluter and Diana Butler who were the only two people to show up to decorate the club for the holiday season. I also wish to recognize Diane Tiedeman and Marsha Lewis who spent one entire afternoon after golf decorating the tree in the banquet room.

I am sorry to have missed the Christmas luncheon where I was installed in abstenia along with the other officers. I understand the food was delicious. Diana Butler's "yule log" centerpieces were beautiful and the entertainment provided by the Seaside High School Jazz Choir, outstanding.

We are incredibly proud of Cindy Daly who was elected on December 12, 2012 to serve as the first woman on the Board of Directors. WAY TO GO, CINDY! I would hope we might all follow Cindy's example and become more active in more of the decision-making groups within the club. Diana Butler started us off last year by serving as the first female marshal at the Coast Tournament.

Please continue to participate in the Winter Tournament by coming out to play each Tuesday morning at 9:00 am. Please don't forget to attend the planning meeting on January 8, 2013 at 8:30 am. We are always looking for your input and ideas.

Finally, we are saddened by the death of Jill Graham, a long-time member of the Ladies' Club. She will certainly be missed by all who knew and loved her.

LADIES' CLUB MESSAGE

I am eagerly looking forward to greeting everyone at the Opening Breakfast of the Ladies' Club at 8:00 am on April 2, 2013. Following the breakfast, there will be a brief meeting during which we will receive our Ladies' Club Roster and Schedule of Events for the year. We also hope to have our AGCC President, Mike Kivrat, attend and provide us with an update on Board concerns and activities. Following the meeting, there will be a nine-hole scramble on bring your golfing gear. Please sign up on the official sign-in sheet to attend the opening breakfast.

Information about the \$2000 college scholarship was sent to the local high schools the second week of March. If members know of a senior student who is a graduating senior, has maintained at least a 3.0 GPA, is currently a member of his or her golf team or has participated in the junior golf program at ASGC for two years or more, please encourage them to ask the counselor or golf coach at their school for a scholarship application. We are trying to increase both the awareness about our scholarship and our pool of applicants.

Finally, the Spring Classic is going to be held on the weekend of April 21-22, 2013. The format consists of a morning nine-hole and alternate nine-hole on the second day. There will be a shotgun start at 8:30 am on both days. In the past, 1995- we have not had much participation as many women didn't like having to be there at 8:30 am. Now we are starting when everyone else does. So find a partner and sign up in the Pro Shop. Prizes and luncheon awards.

Ladies' News 2013

I'd like to thank all the Ladies who showed up for the planning meeting on January 8 to share their ideas and opinions. Doty Johnson, our golf chair, has many new ideas to increase interest and involvement of our members. So plan to play every week to enhance your reputation, lower your handicap, but most of all, to have fun and enjoy friends. Doty will be sending out

postcards this month to all members of the Ladies' Club. Please fill them out and return them promptly, so we can update our membership information and keep our roster current. If you wish to join the Ladies' Club, please call Doty at 503-738-6854 for further information.

We are delighted that Channele Kunde has joined the Pro Shop staff. We are looking forward to working with her and hope she can arrange her schedule so she can play with the Ladies' Club whenever possible.

The Winter Tournament continues every Tuesday at 9:00 am. While the weather has not been very cooperative, a few stalwart Ladies' do show up to play. So if you are looking for good company, exercise and, sometimes decent weather, just suit up and show up.

Next month, we will be sending out information about the \$2000 college scholarship we offer a graduating senior from one of the local high schools. If you know of a student who has played on his or her golf team or who has participated in the Junior Golf program offered by AGCC, then he or she is eligible to apply. We will provide more information in next month's newsletter.

Finally don't forget to sign up and participate in the Indoor Golf Championship to be held on Saturday, February 23 at the club. What a way to improve your short game and putting.

Lastly, but really most importantly, don't forget to tell the people you love that you do—on Valentine's Day and every other day too.

LADIES' CLUB MESSAGE

June 2013

Ladies- Please do not forget to sign up for Guest Day on Tuesday, June 25. The format is a two-person team, one best ball. Rolls, fruit and coffee will be available before the 8:30 shotgun start, and there will be a luncheon following golf. There will be both 9 and 18 hole divisions. If you wish to play but can't find a guest, please ask around. Many of us know golfers from Gearhart, Manzanita and other courses on the peninsula who would really love to participate.

A survey concerning the proposed exercise/fitness room was sent to all members of the Ladies' Club. Please return it as soon as possible. Your input is highly valued, and the Long Range Planning Committee is always looking for creative and innovative ideas.

Let's give a "Hip-Hip-Hooray" to the winners of the Ladies' division of the Club Spring Classic: Low Gross- Jody Orrell and Doty Johnson (Hipl); 1st Low Net- Jean Cheong and Caroline Hincley (Hipl); 2nd Low Net- Ginny Schluter and Lora Rhodes (Hooray!).

It's not too early to ask a friend to play in the two-day Member-Guest Tournament to be held on Monday, August 19 and Tuesday, August 20. Teresa Plowman, the event chair, has already mailed the invitations. Monday's play begins with a 12:00 pm shotgun start after participants have been fortified with a delicious brunch. Cocktails and hors d'oeuvres will be served following golf. Tuesday's schedule starts with a 7:30 am breakfast, golf at 8:30, followed by lunch and awards after play has concluded. So find a partner and mail in your response right away.

We are so grateful to have Channele in the Pro Shop. Not only does she type up and post our weekly results but she tracks us down to see if we're going to play each week. What an asset!

Another "Hip-Hip-Hooray" is needed for Doty Johnson who scored an eagle Saturday, April 11, 2013 on Hole #6- a blind shot from #5 fairway. HIP-HIP HOORAY!

Caroline Hincley, Ladies' Club President

LADIES' CLUB MESSAGE

July 2013

We have winners to announce! First, we are pleased to announce that Clark Wilson is this year's winner of the Ladies' Club \$2000 college scholarship. Clark is a 2013 graduate of Ilwaco High School, a four year letterman in basketball and golf, and therefore, a member of the Ilwaco High School golf team that has captured its division's state golf championship for four straight years. A member of the National Honor Society with a 3.96 GPA, Clark plans to attend Willamette University and major in biology. His ultimate dream is to become a veterinarian, a goal that has been reinforced through his working at the Oceanside Animal Clinic this past year. Clarke received the scholarship at the Ilwaco High awards assembly on June 6. I would like to thank the members of the Scholarship Committee: Sue Moran, Jody Orrell, Ginny Schluter and Diana Butler for their help in selecting this year's recipient.

We would also like to recognize the winners of the Ladies' Club Spring Tournament- 18 holes: 1st place- Jan Garbutt and Jody Orrell; 2nd place (tie)- Diana Butler and Caroline Hincley; Joan Emery and Marilyn Gilbaugh; 4th place- Sue Moran and Jeanie Vasey; 9 Holes- 1st place- Cheri Folk and Julie Nygaard.

Exciting events are scheduled this month. First is the three-day Club Championship to be held on July 9, 11 and 16. Be sure to sign up in the Pro Shop. We have FABULOUS tee prizes as well as the usual array of crystal to distribute to participants and winners. Finally, the Coast Tournament starts on Friday, July 19 and finishes on July 28 so there will be no golf on Tuesday, July 23. However, we do need lots of volunteers to work in the two Snack Stands that are located next to the Pro Shop and between the 3rd and 4th holes respectively. So **please** sign up. This is a co-ed activity so you can bring guy friends as well as girl friends to keep you company and help as well. The donations given by the golfers in the tournament are our main method of raising money for our college scholarship. So **please** contact Roxanne Fick or Cheri Folk if you can help us.

Caroline Hincley
Ladies' Club President

Congratulations to all the members of the Ladies Club who participated in the 103rd Coast Invitational Tournament this year: Quarterfinalists- Jerry Bridwell, Sharon Hitsman and Katie Sturgell; Semifinalists- Karen Durkheimer, Dotty Johnson and Mary Swingle; Finalists- Nan Bode and Caroline Hinkley; and winner of her flight- Barbara Sue Seal. Thanks for representing us so well.

A HUGE, HUGE "thank you" to Roxanne Fick and Chen Folk for running the Snack Shops again this year. Not only were they present every single day on site but also spent their evenings calling friends and neighbors, trying to find workers to cover shifts. They were tireless in their efforts to provide us with the monies for our scholarship and many activities throughout the year. So a big HIP, HIP, HOORAY cheer to both Chen and Roxanne.

Another cheer goes to Diana Butler who again this year served as a Marshall for the Coast Tournament. You could see her most afternoons perched on the hill near the 16th hole, looking very cold but very official.

The Ladies' Member-Guest tournament was held on Monday, August 19 and Tuesday, August 20. Teresa and Pete Plowman have done an outstanding job of organizing every aspect of the two-day event and we owe them a huge debt of gratitude. Thanks also go to Diana Butler who is in charge of decorations and floral arrangements.

Remember that the Fall Tournament is scheduled for Tuesday, September 3 and Tuesday, September 10. The format is a two person team, one best ball eclectic competition in which you can improve your score the second week. A hosted luncheon and general meeting will follow play on September 10 so please find a partner and sign up in the Pro Shop soon!

Ladies' Club President

Greetings from Southern California! The trip home was uneventful, but I miss everyone already.

As you were informed through a Club letter, AGCC has made major changes to the Club's by-laws. As a result, the Ladies' Club has had to make amendments to our own by-laws. However, it should have little effect on how we conduct our affairs. Since most of the ladies indicated last year they would prefer to pre-pay for their golf, we will again charge each lady who is presently on our roster the usual \$50. The fee allows the player to be eligible for all play days and events in 2014 and the charge will appear on the February, 2014 bill. If you do not wish to pre-pay for your golf, please notify the office. However, if you do not pre-pay, you will have to pay a fee for each day's play or event in 2014 that you wish to enter: The amount will vary from event to event.

Please plan to attend the Closing Breakfast on Tuesday, November 12 at 8:00 am. A meeting will follow the breakfast at which several golf awards will be presented. A nine hole combined scramble for 18 and 9 hole players will be played after the meeting is concluded. Please call the office to make a reservation so we will know how many to expect.

Starting in November the Winter Tournament begins, so plan on meeting at 9:00 am each Tuesday, ready to play—weather permitting, of course.

Our thoughts and prayers are with Loretta Lemma and Jan Stewart. With the death of John Lemma, the Club has lost a dedicated member of many years who loved his golf. However, his greatest love was Loretta. That was obvious when you saw them together. Jan just lost her husband, Bob. Loretta and Jan- we hope that your pain will be eased by the love and support of your friends.

Caroline Hinkley
Ladies' Club President

A change in club policy –these monthly messages are viewed on-line. The club no longer mails a friendly bulletin to each member. If you do not have a computer, the office will print copies for you.

LADIES' CLUB MESSAGE

What a year it's been! - By-law changes- the proposed exercise room-in addition to all of the special play days and tournaments we enjoyed this year. My thanks to all of you who were in charge of various events, and I owe a huge debt of gratitude to all my Board members who were so efficient, effective and so willing to help me when I asked: Jan Garbutt, Betty Rippet, Ginny Schluter, Dotty Johnson, Jody Orrell, Diana Butler, and Cheri Folk. We all would also like to recognize and express our appreciation to our retiring historian, Loretta Lemma, a heartfelt thank-you for your pictures, clever captions, and dedication to capturing every important event that occurred. Lucky for us that we have Janet Todd willing to step forward and help us continue to record our "historical" (and hysterical) activities.

Special congratulations to Jean Cheong, winner of both the 1st Captain's Trophy and the Most Improved Golfer of 2013. These awards were presented at the closing breakfast held on November 12. The Captain's Trophy is a new award created by Dotty Johnson that honors our most consistent low-net golfer. As the first recipient of this award, Jean will take home a mini version of the trophy while her name will be engraved on the larger permanent trophy that will reside in the Ladies' Locker Room. Dotty also presented several other awards: Putter of the Year- Ginny Schluter; Low Gross Score for the year- Katy Sturgell (77) and Sue Moran (80); Low Net Score of the year- Jan Garbutt (62); 9 Holvers. Others receiving awards were Flight A- Low Gross- Sue Moran; Low Net- Diana Butler; Flight B- Low Gross- Caroline Hinckley; Low Net- Sue Corkill.

The new bylaws and slate of officers for 2014 were also approved at the meeting. Remember that under the new by-laws we will again charge each lady who is presently on our roster the usual \$50. The fee allows the player to be eligible for all play days and events in 2014, and the charge will appear on the February, 2014 bill. If you do not wish to pre-pay for your golf, please notify the office. However, if you do not pre-pay, you will have to pay a fee for each day's play or event in 2014 that you wish to enter: The amount will vary from event to event. I wish everyone a very Happy Holiday season. Be well and be safe. See you next year!
